

Hi there,

Welcome to Collabforge's very first monthly e-newsletter. We've sent this to you because we thought you might be interested in what we're up to, but you can [unsubscribe here](#).

### YOU'RE INVITED TO A NIGHT FOR EPIC COLLABORATION!

Our vision at Collabforge is a world where everyone has the capability to collaborate successfully to realise their best future.

We've been quietly working on some ideas that we're excited to share. We're equally keen to hear your stories about what you're working on and why collaboration matters.

You're invited to our Melbourne event to hear more about what we've been working on, and for a night of networking and conversations about collaboration! Details below.

**What:** A night for epic collaboration  
**When:** 6pm, Tuesday June 3  
**Where:** The Depot, Level 2, Donkey Wheel House  
673 Bourke Street, Melbourne  
**Bring:** An open mind and your stories about why collaboration matters  
**RSVP:** [Email Paige](#) by Thu May 29 for catering

### OUR WORK WITH THE INDUSTRY INNOVATION NETWORK

In June last year, Collabforge led a consortium to create the Industry Innovation Network, an Australia-wide community and online platform for our nation's brightest innovators. This initiative was for the Federal Government, via the Department of Industry. Read more about the work we did with the network and its current status [here](#).

### THIS MONTH'S CONVERSATIONS

- **Innovation ecosystems:** Watch [Marcus Westbury's innovation ecosystem talk](#) for Project Leap
- **Studio spaces:** Read [Hailey Cooperrider's blog post](#) about creating physical spaces to help teams collaborate creatively

### LOW CARBON LIVING CRC WORKSHOP

- **Business model innovation:**  
Listen to [Andrew Birt's Project Leap talk](#) about crowdfunding, product innovation and looking for his 'IKEA moment'

We ran a workshop at last year's CRC for Low Carbon Living's Annual Participant Forum. Watch this [quick vid](#) to hear Hailey Cooperrider talk about the 'headlines from future' process.
